

An Invitation to Join The Hitcham and Taplow Society

Community - Heritage - Environment

We live somewhere special, but the wind of change is constant.
The Society helps local people to influence local issues. We protect the character and environment that attracted us all here, and we influence change for the better where we can.

- We keep members informed about local issues and events
- We monitor planning applications and make comments where necessary
- We work closely with local government to get the best outcomes for Hitcham and Taplow
- We publish a twice-yearly Newsletter
- We run the Village Green Party and an Easter Egg Hunt every year

Taplow is growing rapidly. We want new residents to be part of the community, to be heard on local issues, and to contribute to the future of the area.

Join HTS today!

See overleaf for details.

Join HTS Today!

For just £7 each year you get a bigger voice on important local issues, two full-colour magazines, and advance notice of Taplow events.

Join today on our website:

www.taplowsociety.org.uk/join-hts/

or contact the Secretary:

Hitcham and Taplow Society,
Littlemere, River Road, Taplow, SL6 0BB
