# **WHAT DOES YOUR TICKET PAY FOR?**

The Village Green Party is a not-for-profit event entirely funded by ticket sales to the public and organised by the Hitcham & Taplow Society. Your support ensures the continued success of this, one of the most popular and important community events in Taplow's social calendar.

Your ticket pays for the live music, entertainment and associated costs of this event which has been running for over 30 years. As a thank you for your support, each ticket holder is entitled to a complimentary serving from the Ox-Roast or BBQ.

On the day your ticket will be exchanged for a wristband so that you can wear your support with pride, knowing that you are helping to keep this tradition alive and encouraging others to do the same.
